## **LMF Group to Create Mosaic for Casa de Corazón®**

### ***Artwork to evoke a spirit of community, diversity, love, children and parenthood***

Milwaukee, WI (October 6, 2020) Today, LMF Group, a division of Retailworks, Inc. announced that it will be designing and creating a large wall mosaic for Casa de Corazón, a Spanish immersion day care and preschool in Shorewood, Wisconsin.

The design concept of the mosaic will be unveiled during the first anniversary celebration of the school in Shorewood on October 7, 2020 at 4114 N. Oakland Ave.

“We are honored to be creating this piece of art for Casa de Corazón,” said Lyn Falk, CEO and president of LMF Group. “The mosaic will represent a loving, positive and hopeful view of community, family and children.”

“The mosaic is a community-inspired piece,” said Nick Plummer, owner of Casa de Corazón in Shorewood. “It’s intended to not only be enjoyed by the families that are enrolled in our school but by area residents as well.”

Upon completion in November, the artwork will be hung in the school’s vestibule which is clearly visible through its spacious windows and doors.

“The design concept that LMF Group came up with blew me away,” said Plummer. “They hit the nail on the head, and I am very excited to see the final product.”
